

UNITED IS THE WAY™

Be United Way
Leadership Giver!

Help a vulnerable child
to step into life with dignity!
Be part of a group that cares,
is responsible, and has the desire,
the power, and the ability to shape
the future of those who are sorely tried.

With your support, a vulnerable child:

- will discover what it's like to enjoy a warm meal every day;
- will be able to give up the old shoes of their older brothers and go to school with a new pair, of their own;
- will enter the classroom with dignity because they will have, like their classmates, a pencil case, a backpack and notebooks they can write in;
- will receive school support and will know that education is their chance to dream and build a life without deprivations;
- will discover that suffering is not the only way to go ahead!

You will send to a child
the message:

**YOU MATTER!
YOU ARE NOT ALONE!**

**Together
we do more
than any of us
could ever do alone!**

**Being a Leadership
donor** means
supporting United
Way's programs,
in one year,
with at least € 1,000.

In return, we will send
you **information**
about the results
achieved together for
the benefit of the
ones in need, you will
be **recognized as
a philanthropist**
involved in improving
life in our
communities, and
your **Leadership
Membership** will be
visible and
recognized through
dedicated events.

But most important,
from those you have
supported, you will
receive **gratitude**,
not only now, but
in their every step
towards
a better future.
